Dear Supreme Weddings Team: Mae, Shem, Ian, Alet  
and Beth,

Good Morning, Camille and I are very happy and  
overjoyed with our wedding!

We are happy we were in your whole teams'  
hands and must say how exceptional the entire  
Process of planning, organizing, detailing and  
execution was with you. You all supported our  
ideas and dreams with our wedding and  
greatly helped create wonderful memories for  
our families, friends and the two of us.

We truly hope your business continues to grow  
so other couples may experience your great  
attitudes and personalities, professionalism,  
attention to details and making the right  
choices and decisions to create their dream  
weddings as you did for us.

Please know you can use us as a reference if  
you would like for future clients.

God Bless you all and please know  
that when we visit Bohol next we will  
stop to see you!

Salamat
